PBSUCCESS

19 April 1954

MEMORANDUM FOR THE RECORD

SUBJECT: Adverse Events Affecting PBSUCCESS Which Developed 17 and 18 April 1954.

1. [ ] advises on April 17 that the printed material is not reaching the target due to bulk and increasing vigilance in WSBURNT. This acceleration of security may become increasingly more important even to the extent that our propaganda effort will fall to the "below satisfactory" level of our intelligence effort.

2. [ ] reports that Delgado arrived April 17 in WSBURNT.

3. A series of essence reports dated April 18 warn of several people who are unreliable or possible enemy agents.
